

**CMA Clinics in CUMC  
Specimen Transport to CML  
Effective January 5, 2009**

Creighton Medical Laboratories (CML) is pleased to announce the relocation of the CML Clinical Pathology laboratory effective Monday, January 5, 2009 to a new facility on the Creighton campus. Below is Q&A regarding how specimen transport service will be handled for CMA clinics located in CUMC.

Question	Answer
<b>1. What is the new contact information for CML?</b>	<p><b>Laboratory physical address:</b> 651 N. 27th St. Beirne Tower, Room 410 Omaha, NE 68178</p> <p><b>Mailing address:</b> 723 N. 18<sup>th</sup> Street Beirne Tower, Room 410 Omaha, NE 68178</p> <p><b>Main phone number: (402) 280.4382 (no change)</b> <b>Fax: (402) 280.4360 (no change)</b></p>
<b>2. What are the CML hours of operation?</b>	<p>CML is open 24 hours/day, from 7:00 a.m. Monday until 7:00 a.m. on Saturday Saturday &amp; Sunday – contact (402) 280.4382.</p>
<b>3. Will the two daily CML courier runs continue?</b>	<p>CML will continue the two daily scheduled specimen pick-ups late morning and late afternoon. Your current schedule will remain unchanged.</p>
<b>4. How do we get specimens to CML in addition to the routine daily courier runs?</b>	<p>Specimens with completed requisitions can be dropped off at the CUMC lab located on the first floor, Monday-Friday 7:00am-7:00pm. CML couriers will deliver specimens to the CML lab. On weekends and holidays call (402) 280.4382.</p>
<b>5. Can specimens for CML be tubed-down to the CUMC lab?</b>	<p>Specimens can continue to be tubed-down to the CUMC lab. Specimens will be couriered to the CML lab.</p>
<b>6. Will the relocation of the lab cause delays in report and supply delivery?</b>	<p>The relocation of the lab will have no affect on the delivery of test reports or supplies. If you do experience a disruption in service, please contact Client Services immediately, at (402) 280.4382.</p>
